HARD ROCK NIGHTS

RESPECT THE PAST. CRANK THE FUTURE!

ATTITUDE ON AIR. ENERGY IN YOUR STATION.

Hard Rock Nights is all about attitude, we walk into the room with a smirk, like we know we're about to drop something you didn't realize you needed.

We're here to shake up the status quo. There's no pandering, no playing it safe—we respect the classics but we don't live in them. We challenge listeners to catch up to what's next.

Basically, we're like that friend who doesn't care what you think—yet cares enough to make sure you're having a damn good time.
